AFMAN 23-110, Volume 2, Part 2, Chapter 11, 1 October 1998, is supplemented as follows:

The Paperwork Reduction Act of 1974 as amended in 1996 and AFI 37-160, Volume 8, *The Air Force Publications and Forms Management—Developing and Processing Forms*, affects this publication.

SUMMARY OF REVISIONS

Corrects office symbol of the certifying official. Authorizes 576th Materiel Control to use the automated AF Form 2005 Program. Eliminates specific blocks of serial numbers for routine or expedite issue requests. Deletes serial numbers for Base Service Store and Individual Equipment Unit. Changes Materiel Management Flight to Materiel Management and Systems Flight. Expanded list of DIFM items 576th Materiel Control is pre-authorized to order as initial issue. Corrects attachment and attachment paragraph/table numbers. Deletes Issue Exception (IEX) Code U. A bar (*) indicates a revision from the previous edition.

SECTION A

11.2.2. Computer-generated facsimile forms will be accepted.

11.3.1. Spreadsheets will not be accepted.

11.3.2.2. (AFSPC1). Demand Processing will process all requests for non-EAID ("P" deck) items.

11.4.1.2. NOTE. Pre-serial numbered AF Forms 2005 will be utilized by all sections and organizations except Demand Processing, HAZMART's Demand Processing, 576th Materiel Control and Transportation's Materiel Control. Both Demand Processing Sections and the 576th Materiel Control will use the electronic AF Form 2005, Issue/Turn-In Request, PC program. Transportation's Materiel Control will use AF Form 2413, Supply Control Log. See below for serial number assignments. Supply action will be

annotated on the AF Form 2005, AF Form 2413 or entered in the electronic AF Form 2005 PC program. Delivery times will not be recorded, except during exercises/contingencies.
